Checking Account: \$ 3337.08      Savings Account: \$ 5787.85

### **President - Ben Baldwin, Jr., WX4MOB**

Ben thanked those in attendance and had general discussion about things going on in his area, and hoped that ARC would continue to meet in Mobile, as the Hamfest grows. Conducted general discussion about ARC and not many major issues on going. Howard was not able to attend, and did not have much to report from Frequency Coordinator actions since Birmingham was just a month past.

### **Vice-President - Dennis Littleton, K4DL**

Dennis enjoying visiting Hamfests across the state, and representing ARC. Has worked to assemble equipment for a booth that can be used to show an ARC presence. Continuing to gain members through full and associate membership. Having the Frequency manuals are a good incentive to join.

### **Web Site - Kirk Junkin, N4KRJ**

Website stays up to date with current membership and repeater listings as Howard provides updates. Continuing to provide information and web enhancements.

Question had come up via email to Kirk, about the possibility of a Lifetime membership. Those in attendance discussed that it was worth perusing, and would have further discussions at Huntsville.

### **Director Reports:**

Director reports were given in general conversation about Fusion systems, and other topics. No one had any major issues that needed addressing.

Meeting was adjourned

Respectfully Submitted  
Kirk R Junkin, N4KRJ
