Howard Grant, K4WWN gave Coordinators Report

Contacts with most of all ARC Coordinated Repeater have been made and updates provided. There are still about 18 that have not updated. Howard will continue to pursue those through the end of 2009.

Recently coordinated D-Star systems in Clanton and Roanoke.

Updates will close in December so that data can be provided to the ARRL Directory.

David, W4MD added he had been contacted by Atlanta area Hams discussing the ARC and its relationship to SERA.

General Discussion continued with no major known issues from any Directors attending.
