

The Alabama Repeater Council met in person at 9:00 am, local time, on Saturday, March 5th, 2022, as hosted by the Birmingham Hamfest. Grady Evans, W4GLE moderated the meeting as Vice-President of the ARC, in the absence of Dennis Littleton, K4DL.

Minutes from previous meeting were motion to accepted and approved.

Treasures Report:

Checking: \$157.58

Savings: \$5791.25

Kirk, N4KRJ noted that no major expenses have been incurred, and membership dues are lagging behind due to COVID, and not having and in-person formal ARC meetings.

Question was raised about online payments through the ARC website. Kirk, N4KR, and Robby, AC4RW will look into any issues. That process should be working, but will investigate.

Grady noted that there are currently two vacant directors' positions open:

James E. Nelson, Jr – severing as Frequency Coordinator

Tommy Golden – deceased.

No Directors had any items to report or discuss.

Frequency Coordinator was not present; no report.

James Nelson, had sent a previous email to the executive committee with new email addresses using the website domain, and redirect to the officer's personal email.

David Bash, added that he was very impressed and pleased with the level of service and response from Frequency Coordination James E. Nelson, Jr.

No further business, meeting as adjourned 9:20 am, local time.

Submitted

Kirk R Junkin, N4KRJ

ARC Secretary / Treasurer

In attendance were:

Kirk Junkin, N4KRJ
